

# READING MALE VOICE CHOIR

## Do you like Singing?

Then can you help us keep nearly 50 years of tradition going by joining our choir. We are looking to recruit new members that can hold a tune. There are no auditions and there are four voice ranges to choose from, Bass, Baritone, Second Tenors and First Tenors. We don't all read music and don't always sound great singing solo but boy, when you put us together the magic begins. We are a well-respected choir, averaging ten concerts per year with seasonal breaks in between. We take a break between early July and September. We aim to have an overseas tour every two years with this year's tour to Warsaw, Poland.

We currently number around 75 and rehearse weekly on a Friday evening between 19.30 and 22.00 at Hawkedon School, Lower Earley. So why should you consider joining? What's in it for you? Well, singing has been medically proven to promote better health. We don't only sing together, we socialise together too, so by joining you instantly get 75 new friends. Friends, mostly partners, of the choir members meet monthly on a social basis with guest speakers, trips out etc. By joining you help raise over £10,000 a year for worthy causes as all our concerts are for local charities.

Oh, and when was the last time that you were part of something that regularly brings audiences to their feet cheering and applauding? So why not come along on a Friday and check us out. You don't have to sing – if you just want to listen that's fine. You will be guaranteed a very warm welcome from a great bunch of ordinary guys. Or, you can get in touch with me and I can tell you more.

Thank you for considering Reading Male Voice Choir
